## Kansas Trails, Inc. Announces Online Auction Featuring Entry to 2026 Unbound Gravel

---

**Topeka, Kansas** — Kansas Trails, Inc. is excited to announce the launch of a special online auction offering outdoor enthusiasts and dedicated cyclists a rare opportunity: an entry to the highly sought-after 2026 Unbound Gravel race. Proceeds from the auction will support trail development, maintenance, and access initiatives across Kansas.

Unbound Gravel, held annually in Emporia, Kansas, is one of the premier gravel cycling events in the world, drawing participants from across the globe. Securing an entry has become increasingly competitive, making this auction a unique chance for riders to guarantee their place at the starting line.

*“We’re thrilled to offer this incredible experience while advancing our mission. Every bid helps expand and improve trail opportunities for communities throughout Kansas.”*

— Michael Scanlon, Director, Kansas Trails, Inc.

In addition to the Unbound Gravel entry, the auction will feature a curated selection of outdoor gear, local experiences, and trail-related items donated by supporters and partners.
